

NPCC ALUMNI DINNER 2007

Dear Sir / Madam,

The purpose of holding the NPCC Alumni Charity Dinner is to raise funds for National Police Cadet Corps Overseas Expedition Project (NPCC-OEP).

The NPCC-Overseas Expedition Project (NPCC-OEP) is an overseas youth exchange project which NPCC Cadets get to lead and organize expeditions to any ASEAN country, China, or India, to provide voluntary services for any needed communities, for example by teaching their children in schools and helping them build or renovate schools and homes.

We strongly encourage you to support by signing up and join in this fund-raising event to cultivate team spirit among cadets to inspire them through meaningful overseas community service and to make a difference to the lives of others, at home and abroad.
