INVITATION SHOOT

This year NPCC alumni did not manage to retain the challenge trophy for the third year as we face much stronger competitors like the Scouts who came in first position and the NPCC HQ in second place.

Nevertheless, the shooters from NPCC alumni had done their very best and we're not that bad after all, being in the 3rd position. 4th was CCAB, 5th Red Cross and 6th ST John. NCC who turned up was disqualified as they did not attend any trial shoot.

Let's hope we do better next year and I would like to thank all our shooters - Ong Wee Loong, Tan Gwee Kiang, Lee Chee Chiew and Teo Chung who also sponsored the shooters' T-Shirts, for taking time to participate and doing their best.

The team also like to thanks those who came all the way to support us - Teck Wah, Wendy Ong, Patrick Chew, Kho Ngiat Hong and Siew Jit and all well wishers.

EFFECTIVE PRESENTATION TALK

It's been a wonderful evening on 27 Aug 04 at SPOM. A total of 32 people attended the Effective Presentation talk by 2 experienced Toastmaster speakers, namely Mr. Ng Yee Chong & Ms. Helen Lee. Thanks to Thiam Soon for arranging for the speakers and those who were there benefited from the topics on 'The Role of Spoken English' and 'Effective Presentation - the Toastmaster ways.'

Also thanks to those who brought their friends and families and the evening was fruitful.

Simple snacks were provided before and after the talks.

DUNMAN HIGH FANCY DRILL

On the 24th July 2004, the NPCC alumni was honoured to be the judges for the Fancy cum Precision Drill Competition organised by Dunman High School.

Audiences were treated with display of skills and co-ordination from participating teams. The supporters were enthusiastic and cheered loudly to boost their team's morale. Good spirit was shown as each school applauded and cheered after each performances. Finally the judges have to decide the winner. Pasir Ris Crest Secondary School came in as the Champion, followed by Dunman High School and River Valley School, which came in second and third position respectively.

The competition ended on a high note as everybody took photos in front of the gateway and exchanged goodbyes.
